

Our School Uniform

Our school uniform is inclusive and can be worn by all pupils. Our uniform policy does not discriminate against those who share a particular protected characteristic. Governors have ensured that our school uniform can be purchased at low cost, with many items of preloved uniform being available free at both schools across the Federation.

Pupils are not allowed to wear nail varnish in school.

Personal Property on School Premises

It is very important that all items of clothing are marked with the owner's name. At the end of every term any unclaimed lost property will be recycled.

Pupils are responsible for their own personal possessions while at school. Children should not bring in toys, electronic devices or valuables of any other kind. School cannot take responsibility for any loss or damage.

Mobile phones that need to be brought into school MUST be handed in at the office where they will be stored securely during the school day.
